
Company Profile Geis SDV GmbH

Geis SDV GmbH, headquartered in Frankfurt, is one of Germany's leading service providers in the fields of sea and air freight as well as projects logistics. At its 10 locations in Germany the company employs about 322 professionals. Throughout the world Geis SDV benefits from the integration in the global SDV network of 521 offices in 90 countries. In the year 2009 the joint venture of the Frankonian Geis Group and the French SDV (part of Bolloré Group) achieved a sales of 120 Mio. Euro.

Geis SDV offers the entire spectrum of logistics services in sea and air freight, project shipment and contract logistics. In doing so the company has a clear orientation towards high value-adding areas such as IT-supported supply chain management services. Well-established business connections to the best-know and most reliable shipping companies and to leading airlines ensure that the products and services of Geis SDV offer maximum quality and effectiveness. In addition, the company is member of the international alliances „Future“ (air freight) and „Group 99“ (sea freight).

Geis SDV is particularly specialised on the needs of the aerospace, healthcare, textile, automotive and high-tech industry. Therefore the company offers global transport and logistics solutions made-to-measured on the requirements of the particular sector. These industry solutions are based on numerous customer projects.

Geis SDV is certified according to DIN EN ISO 9001:2008 standards.
