Business is handled on basis of the „German Forwarders’ Standard Terms and Conditions (ADSp) latest edition only.

Please be informed that as by clause 23 of ADSp the liability of the forwarding agent at loss of damage of the merchandise is limited in general cases to the amount of € 5 per kg net weight of the shipment and that in the case of a shipping contract with combined transports and at extended damages there is a limited liability of 2 SDR per kg. Per claim the liability is limited to € 1 mio. or 2 SDR per kg, whichever is the higher. For airfreight shipments which will subject to conditions of the Montreal Convention the liability clause 27 of ADSp will not be executed. ADSp can be looked up at our website.
